

**Circuit Court**  
Circuit Court is in session here this week and the docket is the heaviest for years, and it will take all the week to dispose of the cases ready for hearing. On Monday two criminal cases were disposed of. Com. vs. Frank Womack charged with seduction and Robert Patterson charged with shooting. The jury rendered a verdict of guilty in the first case and fixed Womack's punishment at 1 year in the penitentiary, but on motion of Counsel the verdict was set aside. In the latter case Robert Patterson was tried by the court on his plea of guilty and was sentenced to 10 years in the penitentiary. A large crowd was present and the court room was jammed. Judge Hundley is presiding.

**Buckingham**  
Everybody busy, some busy trying to have pleasure, some busy trying to give others pleasure and some busy with the everyday affairs of life. A trip to Farmville found the roads in excellent condition the tobacco crops as a rule are housed and the tobacco and pea land being prepared for wheat. Dr. Louis D. Jones, of Ironton Ohio, has been a great sufferer from a carbuncle on his neck and is attended by Dr. Paulus A. Irving, of Farmville. Dr. Jones is staying with his sister Mrs. M. J. Cox.

Small Albemarle Pippins retailing for 5 cents each. I asked a meat dealer what he was paying for hogs gross and he said the price was 8 cents, and he was retailing pork chops at 35 cents a pound.

There are 800 students at the State Normal School at Farmville. The one and two room schools open this morning and Maysville District has a teacher for each school. Mr. Twyman has been a busy man helping to get the schools supplied with the right kind of teachers. Miss Lizzie Stinson will teach the Fossie School, Miss Mattie K. Coleman the Malone School, Misses Mary L. Haskins and Louise McCraw will teach the graded school at Andersonville and Miss Fannie Haskins will teach at St. Andrews school.

Col. Robert T. Hubbard died last week and was buried with Masonic honors at "Chello", his old home place. Col. Hubbard was a prominent lawyer and a veteran of the Civil War.

On October 12th, one of Buckingham's fairest daughters will be wedded to a gentleman from the old North State. The talk of the town, the sale of fine household goods at the old Haskins farm the sale to begin at 10 o'clock on October 12th.

I would like to be on hand at Appomattox Court to bid on that Liberty Bond that is advertised for sale, as I want to buy some Liberty Bonds.

Mr. Crouch the owner of the farm formerly owned by Mr. John Seward, has made a splendid preparation for alfalfa using a large quantity of lime and acid phosphate.

Merchants do not know whether to lay in good stocks of goods or wait until prices decline still more.

Farmers are hard pressed to make expenses, professional men say times are dull and so we have pessimists all along the line.

Fat cattle go begging, hogs cost more than they can be sold for, horses of the cheaper kind known as "plugs" can hardly be sold at any price. Hides hardly pay expenses of shipment. Veals selling well again young chickens and eggs selling well. Old corn selling at \$1 per bushel and I suppose the new crop will start at above the same.

**J. H. Patterson**  
John Hunt Patterson, of Appomattox, age 76 years, died Wednesday, Sept. 28th, at his home near here. Mr. Patterson is survived by three daughters: Mrs. R. H. Hughes and Mrs. H. D. Drinker, of Lynchburg, and Mrs. R. A. Hamilton, of Appomattox, and four sons, H. C. Charles P., and John R. Patterson, of Lynchburg, and W. D. Patterson, of Appomattox and his wife.

Burial in family graveyard at his late home Thursday. The deceased was a quiet gentleman of many good qualities and enjoyed the confidence of a wide circle of friends.

## Colds & Headache

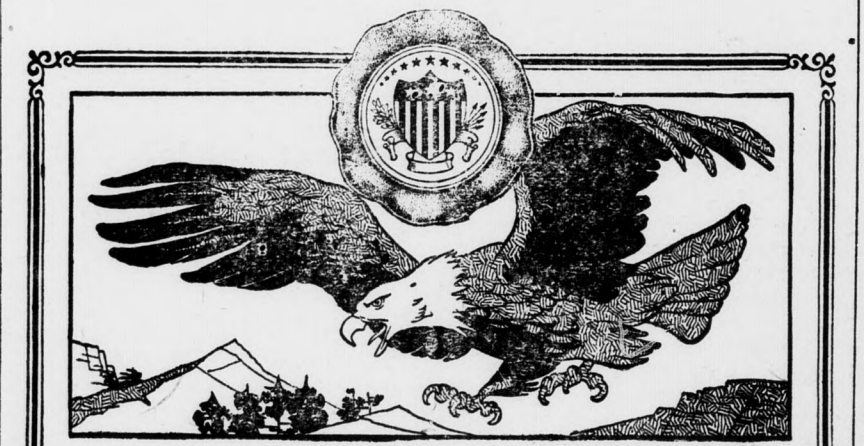

"For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every household for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

## THEDFORD'S BLACK-DRAUGHT

"It touches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many dollars. . . I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am never without it."

## WHAT THE GOVERNMENT IS DOING FOR YOU

We have cause in every way to feel proud of our country, but we are as a nation too little informed as to the activities and actual benefits of our Government. To remedy this situation locally, we have secured the exclusive right to distribute a series of attractively illustrated folders and booklets in which are given new and interesting facts about Our Government, and how we all share its beneficent influence.

We will gladly send one of this set each month to those who will request it, and as a permanent reminder for this valuable information, we will present a substantial brown and gold portfolio upon personal call at this Institution. No obligation.

Many of our friends ask us why we put forth such efforts as we do to get small accounts, many of which are started with deposits of only one dollar. It is true that such accounts do not begin to repay the cost of handling.

However, we are building for the future. These small accounts will grow. Many of them will in time become very profitable. The small depositor of today will be the large depositor of tomorrow. The boy who opens the dollar savings account will in a few years be the business man with a valuable commercial account.
